- to assist in making school gardening projects successful.
- to support the school board and administrators, food service providers and farmers, and to overcome barriers to buying and serving local and regionally grown foods.
- to advocate for fresh, whole and seasonal foods in place of highly processed ones.
- to educate students, their families, school staff and community members of the importance of childhood nutrition.
- to improve the nutritional value of food served in Jefferson County schools. Our mission is to be a community-based group working to

Jefferson County Farm to School Coalition

"Growing our Future"

To learn more, visit jcfarm2school.org

In your honor, a gift has been given to Jefferson County Farm to School Coalition to help children learn how to make healthy food choices, how to grow food in their school garden and have access to healthy, local and seasonal food in school meals. May this gift bring you joy as it enhances the health, education, economy & food security in our communities.
