

Our Mission

*Jefferson County Farm to Schools Coalition
is a community-based group
working to improve the nutritional value
of food served in Jefferson County Schools*

FARM to SCHOOL

Your Generous Donation

- 🍏 Supports experiential education in our school gardens which currently reaches over 500 students in two schools districts.
- 🍏 Supports nutritional education to students, families and communities.
- 🍏 Helps kids learn to make healthy food choices.
If they grow it—they will eat it.
- 🍏 Provides Farm to School curriculum to enhance classroom achievement
- 🍏 Supports our connection to local farmers and our local food system
- 🍏 Supports our environmental studies and composting program.
- 🍏 Helps kids learn how to grow food and how to “grow our future”

To Volunteer Contact:

Our Goals

To educate students, their families, school staff and community members of the importance of childhood nutrition.

To advocate for fresh, whole and seasonal foods in place of highly processed ones.

To support the school board and administrators, food service providers and farmers, to overcome barriers to buying and serving local and regionally grown foods.

To assist in making school gardening projects successful.

Farm to School is a Growing Movement!

Benefits of Farm to School Farm to School Programs are known to:

- 🍏 Support school garden programs which teach kids how to grow food and where their food comes from.
- 🍏 Promote healthy eating habits and reduce the risk of obesity and other health related disorders in children.
- 🍏 Provide children access to local, healthy and nourishing food.
- 🍏 Facilitate education about nutrition, food and agriculture in and out of the classroom.
- 🍏 Increase school lunch participation rates.
- 🍏 Open up new markets and increase revenues and customer base for farmers.
- 🍏 Develop community support and awareness about local food systems and agriculture.

School Districts Implement Farm to School in Several Ways by offering:

- 🍏 Salad bars as part of the National School Lunch program.
- 🍏 Local foods featured in lunch, breakfast, or snacks.
- 🍏 Nutrition education activities featuring local foods, such as "Harvest of the Month."
- 🍏 Instructional school gardens and garden-based learning activities connected to the curriculum.
- 🍏 Local foods as a healthy school fundraiser or featured at a special event.
- 🍏 Agriculture education opportunities, such as farm tours or farmers' presentations.
